

Mr. Jules Herbaveux

June 26 1940

Phillips Carlin

About once a week at 4:30 when you make the break on Club Matinee, varying the day you do it, we would like to have you use the announcement, just prior to the break, "Listen to the familiar NBC chimes, your signal for fine radio entertainment."

We will use it also on Sunday night on our Pop Concert at the 3:30 break.
